

*Don't miss your opportunity to be a part of history!!*

As you may be aware the veteran's organizations in this community have been planning and preparing for a Veteran's Memorial which will be constructed in McCloud in front of Dollar General in McCloud, just west of downtown.

Help pave the way for our future as well as leave your mark in honor of our veterans. This worthy project has been planned and approved, recently receiving the blessings as well as much appreciated assistance from Shawnee VFW. Whether an individual or business owner we will help you find the appropriate place to help honor this project.

Above is the rendering of the entry passageway into the memorial and to the left is an overview of the entire memorial!

It is now time to do the major fund-raising for this memorial, the opportunity for **you** to be involved. We have begun selling commemorative memorial bricks that will be used to make up the plaza that will be the middle of the oval. You will be able to personalize the bricks with appropriate engraving, please see order form for details. The fund for the McCloud Veteran's Memorial is being set up as a non-profit organization. **All** money collected will be used directly for the construction of the memorial. None of the organizers are being compensated for their time and efforts in this worthwhile cause. Please show your support to **ALL** veterans by honoring the memories of **YOUR** veterans as well as helping us to create a wonderful addition to this community, a place of solemn reflection, a place of inspiration for generations yet to come, and commemorating those who have sacrificed themselves for the protection of our country. If you have questions or concerns please direct them to any of the Veterans Committee of McCloud. **LET'S ROLL UP OUR SLEEVES AND MAKE THIS HAPPEN!!!**
